

The Office of the State Fire Marshal, Mobilization Division is sponsoring the following class:

### **Hazardous Materials On-Scene Incident Command**

**August 8-11, 2006**, at the WSP Academy in Shelton, WA. This class begins at 1 p.m. on **August 8**, and ends at 12 p.m. on **August 11**.

This Course is designed to meet the training requirements in OSHA 29 CFR 1910.120 (q)(v) and WAC 296–824 for incident commanders at a hazardous materials incident, and is designed to give participants the knowledge and skills necessary to manage all types of hazardous materials incidents. It will provide emergency responders and industrial personnel with incident operations and management responsibilities the tools to effectively manage emergency incidents.

**This course is required for all WSP sergeants, and will count for 24 hours of the 60 required hours of supervisory training for Career Level Certification. Newly promoted sergeants should attend this training at the earliest possible date.**

Course content includes identifying the problem, protective clothing and equipment, analyzing the problem, utilization of resources, hazardous materials regulations, evacuation vs. shelter-in-place, planning for the hazardous materials incident, and media relations.

WSP personnel may enroll through TRMS for this course with TRMS Code HMA-104. A registration form for non-WSP personnel is available in [Word](#) or [PDF](#) format on the WSP website at: <http://www.wsp.wa.gov/fire/hazmat.htm>.

**Additional hazardous materials courses are available monthly around the state. Our current course schedule is always available [online](#) for classes planned throughout the year.**

Questions regarding registration for the class should be directed to the Hazardous Materials Training Unit at 360.753.0415, or by email to: [hazmat@wsp.wa.gov](mailto:hazmat@wsp.wa.gov).
